AMAZON WEB SERVICES HOSTING

CUT EXPENSES, IMPROVE PERFORMANCE & ENJOY GREATER PEACE OF MIND

Many organizations need a server but don't have the infrastructure or personnel to keep one (or more than one) running securely, efficiently and reliably. M3 Technology Consultants delivers Amazon Web Services virtual server hosting solutions that provide enterprise-level features and can be scaled to meet your unique requirements.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

RELIABLE, FULLY-MANAGED AWS CLOUD HOSTING SOLUTIONS

As a trusted AWS hosting provider, M3 Technology Consultants empowers you to deploy a range of computing solutions – websites, hosted applications, e-commerce platforms, development and testing environments, databases and more – as efficiently, effectively and affordably as possible. We offer flexible hosting packages that allow you to choose the subscription model that suits you best, and our team of highly experienced technicians monitors and updates your systems to reduce maintenance costs and downtime. Even better, we watch for vulnerabilities to keep you protected from hackers and other online threats.

CLOUD MIGRATION

Moving to the cloud may seem like a simple task in the beginning, but it gets complicated very quickly. M3 Technology Consultants has the expertise and tools to make your transition to AWS as easy and seamless as possible.

PREDICTABLE MONTHLY COST

Don't spend money on services you don't need. M3 Technology Consultants allows you to select the AWS hosting services that benefit you most, then pay a flat, monthly fee without any surprise costs or added expenses.

GLOBAL ACCESSIBILITY

Whether work takes you across the country or around the world, you'll enjoy fast, easy and secure access to data, documents, applications and more from anywhere. Plus, you can access it all via any smartphone, tablet or laptop.

AUTOMATIC UPDATES

Outdated applications and unpatched servers leave you exposed to a variety of cyberthreats. M3 Technology Consultants automates the process of keeping your software and hardware updated to safeguard your vital systems and prevent threats from coming through your front door.

IMPROVED RELIABILITY

Because your AWS hosted server is routinely monitored, M3 Technology Consultants can easily identify issues before they become disruptions to your productivity. We minimize the risk of system failure and ensure that your cloud server is running at peak performance.

HELP DESK SUPPORT

M3 Technology Consultants resolves 99 percent of technical issues quickly and easily, with little to no downtime. Just give us a call or shoot us an email. We work with you to troubleshoot technical issues and overcome virtually any obstacle.

WE DO MORE THAN AMAZON WEB SERVICES CLOUD HOSTING.
