

AUDIO-VIDEO SOLUTIONS & SUPPORT

BRINGING YOU CRYSTAL-CLEAR SOUND & PICTURE

If your team relies on meetings to share information and close deals with clients, you need a top-quality solution that allows you to present and collaborate seamlessly. Save time setting up equipment and host professional, productive meetings every time with our best-in-class audio-video solutions and support.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

COMMUNICATE MORE EFFECTIVELY WITH EASY-TO-USE EQUIPMENT

Do you hold back from presenting slides and videos during meetings, for fear that your equipment will fail at the most inconvenient moment? Do you spend more time troubleshooting your audio-video setup than reaping the benefits?

Get more out of your meetings with solutions designed for your space and business needs. We walk you through choosing equipment that's reliable, cost-efficient and simple to operate. Then, we install and test your solutions with minimal business disruption. Boost meeting engagement and knock presentations out of the park with clear, consistent and intuitive audio and visual services.

HELP DESK SUPPORT

M3 Technology Consultants resolves 99 percent of technical issues quickly and easily, with little to no downtime. Just give us a call or shoot us an email. We work with you to troubleshoot technical issues and overcome virtually any obstacle.

COMPETITIVE PRICING

Vendor costs shouldn't tank your budget. M3 Technology Consultants accepts bids and negotiates contracts and bills on your behalf, so you get the best service at the best price. We leverage our expertise and professional relationships to save you money.

IMPROVED COLLABORATION

Our audio-video solutions allow employees to share content quickly and easily – even if they're remote or traveling. Keep your team engaged and productive with technology that makes it simple to display slides, documents, videos and more without interruption or downtime.

INTUITIVE CONTROLS

We believe audio-video equipment should make sense and feel natural. To ensure company-wide user adoption, we choose solutions that are feature-rich but not overly complex, installing them to work harmoniously with your office environment.

CUSTOMIZED SOLUTIONS

Why settle for technology services that only support your needs half of the time? Our technicians perform an assessment and design a package that accommodates all your crucial business requirements while sticking within your budget.

CLIENT IMPACT

Impressing a potential client or partner is difficult when you're fumbling with the screen or struggling to hear your audio. Invest in high-quality audio-video services and support to project a confident, professional image during important presentations.

WE DO MORE THAN AUDIO-VIDEO SOLUTIONS & SUPPORT. M3 TECHNOLOGY CONSULTANTS ALSO OFFERS:

- ✓ Technology Assessments
- ✓ IT Infrastructure Monitoring
- ✓ Data Backup & Recovery
