## TRANSFERRING YOUR DATA QUICKLY & SECURELY

Cloud is rapidly becoming the norm for businesses – but the prospect of moving your data to the cloud can be overwhelming without the right support. Our experts help you choose the right cloud solution (or mix of solutions) for your business and design a migration plan that minimizes downtime and business disruption. We're on hand from the first file to the very last.

### ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

### MAKE THE LEAP TO THE CLOUD WITH EXPERT SUPPORT

Moving your applications, servers or your entire infrastructure to the cloud offers endless business benefits – better collaboration, increased continuity and more uptime – but the first step is often the most difficult. The experts at M3 Technology Consultants walk you through the entire process, from customizing a cloud package to fit your storage and security needs to ensuring your data is fully accessible. We handle migration and offer ongoing support so you can concentrate on getting the most out of your cloud services.

#### INCREASED MOBILITY

Traveling frequently and working flexible hours to service customers are part of today's business reality. Moving to a cloud-focused environment empowers your employees to work from home, the road or anywhere else with an Internet connection.

#### ENSURED BUSINESS CONTINUITY

Whether you're hit with a cyberattack or a natural disaster, the cloud gives you an extra layer of business continuity protection. Your critical data is backed up and available for retrieval at any time, so your employees and customers are never left in the dark.

## INCREASED OFFICE SPACE

Office square footage is valuable – don't waste it on clunky hardware. Enlisting M3 Technology Consultants to move your data to the cloud and simplify your infrastructure gives you extra space to expand in ways that align with your business goals.

## AFFORDABLE PRICING

Don't spend money on space or bandwidth you don't need. Our simplified pricing ensures you only pay for what you use and can easily grow or scale back your plan based on your organization's unique requirements.

## CUSTOMIZED SOLUTIONS

Why settle for technology services that only support your needs half of the time? Our technicians help you choose between public, private or hybrid cloud solutions to meet your parameters for security, storage and budget.

## POST-DEPLOYMENT ASSISTANCE

Your IT projects don't end at deployment. We're on hand to answer questions and offer support after you launch. We'll also help you figure out your next steps and stay current with the best products and services for your business.

## WE DO MORE THAN CLOUD MIGRATION SERVICES. M3 TECHNOLOGY CONSULTANTS ALSO OFFERS:
