

DATA BACKUP & RECOVERY

SAFEGUARDING CRUCIAL DATA FROM THE UNTHINKABLE

Many organizations have an it won't happen to me mentality. But the unthinkable happens – cybercriminals are knocking at your door and natural disasters are wrecking your systems. You can protect your data with help from M3 Technology Consultants.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

MINIMIZE RISK WITH HELP FROM M3 TECHNOLOGY CONSULTANTS

M3 Technology Consultants knows the importance of data – for you and your customers. That's why we take every possible measure to protect it. Whether your data is deleted, damaged internally or your organization is crippled by external force, we'll keep your systems protected and data encrypted. You'll gain peace of mind knowing backups are automatic to the latest version and our team of experts are there to proactively monitor your systems day and night to catch threats before they have a chance to interfere with business.

COMPLIANCE REGULATIONS

Data loss and downtime can violate legal requirements (HIPAA, SOX, GLBA) which can lead to significant risk and high fines. Our experts stay on top of relevant criteria to ensure you maintain full compliance at all times.

AUTOMATIC BACKUPS

You never know when a disaster might happen. M3 Technology Consultants keeps your cloud-based server updated to safeguard your vital infrastructure so you always have access to the latest versions of documents, data, email and more.

STRICT USER ACCESS

Keep unwanted eyes away from business and client data. M3 Technology Consultants ensures private data remains private by limiting user access to ensure illicit hands don't access, damage or delete any confidential data.

CLOUD CONTINGENCIES

A backup and recovery plan is essential when migrating to the cloud. M3 Technology Consultants ensures you have solid processes in place, as well as the resources you need to keep your data safe and secure.

IMPROVED AVAILABILITY

Your constant availability is key to customer satisfaction. Our team of experts monitor your network's performance to maximize connection speed while minimizing latency, so you consistently exceed customer expectations.

HELP DESK SUPPORT

M3 Technology Consultants resolves 99 percent of technical issues quickly and easily, with little to no downtime. Just give us a call or shoot us an email. We work with you to troubleshoot technical issues and overcome virtually any obstacle.

WE DO MORE THAN DATA BACKUP & RECOVERY. M3 TECHNOLOGY CONSULTANTS ALSO DELIVERS:

- ✓ Technology Assessments
- ✓ Unified Communications
- ✓ Cloud Computing Services
- ✓ Remote PC & Mac Support
- ✓ Migration & Deployment
- ✓ IT Project Management
- ✓ Cybersecurity Services
- ✓ Training & Help Desk Services
