

HOSTED DESKTOP SOLUTIONS

IMPLEMENT A SIMPLIFIED, UNIVERSAL DESKTOP EXPERIENCE

In the era of mobile workforces and BYOD, employees need access to their important tools from anywhere in the world, on multiple devices. Hosted desktop solutions from M3 Technology Consultants provide a secure, universal desktop experience that standardizes operating costs, protects sensitive data and eliminates routine maintenance from your to-do list.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

RELIABLE, FULLY-MANAGED DESKTOP HOSTING SOLUTIONS

Don't limit your employees' productivity – give them the tools they need to stay connected from anywhere with an Internet connection. M3 Technology Consultants hosts your applications in the cloud, so users can log in and use them from any device, at any time of the day or night. Scale easily when adding or removing users, without the upfront costs and hassles of deploying software. Plus, you'll minimize the risk of data loss and ensure that your sensitive proprietary information is protected with our strict security measures. Rely on our expertise for a seamless transition and round-the-clock monitoring.

CLOUD MIGRATION

Moving to the cloud may seem like a simple task in the beginning, but it gets complicated very quickly. M3 Technology Consultants has the expertise and tools to make your transition to hosted desktops as easy and seamless as possible.

ENHANCED SECURITY

Outdated applications and unpatched servers leave you exposed to a variety of cyberthreats. M3 Technology Consultants automates the process of keeping your cloud-based applications updated to prevent threats from impacting your organization.

AFFORDABLE PRICING

Don't spend money on licenses or capabilities you don't need. Our simplified pricing ensures you only pay for what you use and can easily grow or scale back your plan based on your organization's unique requirements.

24/7/365 MONITORING

Our team of expert engineers and support technicians proactively monitors your systems to prevent trouble and maximize uptime. In the unlikely event of an interruption, they're in place to immediately solve the problem.

MINIMAL MAINTENANCE

With hosted applications, M3 Technology Consultants takes care of routine software updates and management of the cloud server. Plus, there is no new software to purchase or download, making deployment and administration simple.

HELP DESK SUPPORT

M3 Technology Consultants resolves 99 percent of technical issues quickly and easily, with little to no downtime. Just give us a call or shoot us an email. We work with you to troubleshoot technical issues and overcome virtually any obstacle.
