IT CONSULTING & PROJECT MANAGEMENT

PROVIDING EXPERT ADVICE WHENEVER YOU NEED IT

You can't justify hiring a full-time internal team member to manage your projects – but you don't know where to start on your own. Luckily, there's a way to get the support you need, with the flexibility you want. With IT consulting and project management services from M3 Technology Consultants, you can get the right answers at the right time, at a fraction of the cost.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

LAUNCH SUCCESSFUL PROJECTS WITH EXPERT GUIDANCE

As a business owner, you don't have the bandwidth to oversee every aspect of a special technology project. But, you need to leave it in the hands of someone you trust. Our IT experts combine their knowledge of the latest technology and deep familiarity with your industry to plan, manage and monitor the status of your projects. Or, if you simply need advice on an IT investment, we offer consulting services to help you make a decision that aligns with your business goals – without getting locked into an expensive long-term agreement. Let M3 Technology Consultants help you move forward with peace of mind.

SPECIALIZED EXPERTISE

Have a problem that's puzzling your IT department? Our team is here to help. It can be tough to stay on top of all the technical changes happening every day. Now your staff can lean on us when they need to.

HIGH-LEVEL ASSESSMENTS

You can't improve your systems without knowing where your technology stands. We conduct comprehensive assessments of your computers, network, processes and more to identify areas for improvement and develop a customized plan for growth.

INCREASED PRODUCTIVITY

You don't have time to waste on hiccups in your IT projects. M3 Technology Consultants manages projects from concept to completion, using our expertise to predict and plan for bumps in the transition so your business can continue running smoothly.

POST-DEPLOYMENT ASSISTANCE

Your IT projects don't end at deployment. We're on hand to answer questions and offer support after you launch. We'll also help you figure out your next steps, scale up or down depending on your needs and stay current with the best products and services for your business.

STRATEGIC PLANNING

Being spontaneous is fun, but not when it comes to your IT decisions. We learn the needs of your business, discuss your goals and create a tailored roadmap that meets both, so you can make more confident, cost-effective decisions.

CONTROLLED SUPPORT COSTS

End the cycle of panicked break-fix calls – and their hefty resulting bills. We ensure that you only pay for the time you need, as detailed by simple, straightforward contracts. No surprises – just high-level consulting and project management services, on demand.

WE DO MORE THAN IT CONSULTING & PROJECT MANAGEMENT. M3 TECHNOLOGY CONSULTANTS ALSO OFFERS:
