

# MANAGED IT SERVICES

## CROSS TECHNOLOGY OFF YOUR TO-DO LIST

Are you ready to trade in your daily technology challenges for business-changing managed IT services? Partnering with M3 Technology Consultants frees up your time to focus on core business functions without extra costs and downtime. Our experts maintain all aspects of your technology so that you can move forward with total confidence.

### ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

### TRUST M3 TECHNOLOGY CONSULTANTS TO ELEVATE YOUR TECHNOLOGY

Keeping up with the ever-changing needs of your infrastructure and industry best practices is the key to enhancing your business and generating more revenue. We know the impact your IT has on your productivity, and we're here to help. Our technicians are your go-to partners for all things technology, including system updates, routine maintenance, server patches, network issues and more. We work diligently to ensure your infrastructure is secured, you're able to reach your long-term goals, productivity is at an all-time high and that uptime is never compromised.

#### IMPROVED INFRASTRUCTURE

M3 Technology Consultants starts with defining the right IT strategy for your business. From there, we design a solid and flexible architecture, evaluate and implement the products and services you need and monitor it day and night to ensure it's always running.

#### REDUCED DOWNTIME

Whether your downtime is planned (for updates or migration) or unplanned (via natural disasters, cyberattacks or employee error), we step in to minimize interruptions to your productivity and ensure your customers aren't left in the dark.

## HELP DESK SUPPORT

M3 Technology Consultants resolves 99 percent of technical issues quickly and easily, with little to no downtime. Just give us a call or shoot us an email. We work with you to troubleshoot technical issues and overcome virtually any obstacle.

## STRATEGIC PLANNING

Being spontaneous is fun, but not when it comes to your IT decisions. We learn the needs of your business, discuss your goals and create a tailored roadmap that meets both, so you can make more confident, cost-effective decisions.

## PROACTIVE MAINTENANCE

Because your vital IT infrastructure is routinely monitored, we can easily identify technical issues before they become disruptions to your daily workflow. Our team minimizes the risk of system failure and ensures your systems run at peak performance.

## PREDICTABLE MONTHLY COST

We work within your IT budget, making sure you only pay for what you need. Simply select the IT services that will benefit you most, then pay a flat, monthly fee based on that choice.

### WE DO MORE THAN MANAGED IT SERVICES. M3 TECHNOLOGY CONSULTANTS ALSO OFFERS:

- ✓ Technology Assessments
- ✓ IP Telephony Solutions
- ✓ IT Infrastructure Monitoring
- ✓ Remote PC & Mac Support
- ✓ Data Backup & Recovery
- ✓ IT Project Management
- ✓ Cybersecurity Services
- ✓ Cloud Computing Solutions
