

# POS SOLUTIONS & MANAGEMENT

## MAKING YOUR POS SYSTEM AN ALLY – NOT AN OBSTACLE

In today's economy, even an hour of unexpected downtime can tank your sales and leave a wake of irritated customers. If your POS system is costing you profit, it's time to upgrade to a better solution. We procure, install, monitor and troubleshoot your hardware and software – leaving you with nothing but seamless operations.

### ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

### SUPPORT CUSTOMERS WITH A FIVE-STAR POS SOLUTION

“Sorry, our system is down.” Saying those words is painful – both to your disappointed customer and for your bottom line. If POS downtime is eating into your sales and productivity, your business can't grow. POS solutions and management from M3 Technology Consultants equip you with the most reliable, fully featured point-of-sale services, so you can give customers the first-class experience they deserve. We monitor your systems for potential issues and tackle them before they interrupt your workday – but, if you do encounter an error, we also provide remote and on-premise troubleshooting. We take care of your POS, so you can take care of your business.

#### HIGH-SPEED CONNECTION

Slow connection speeds can cost you thousands of dollars in lost productivity and customer dissatisfaction. Experience a smooth connection that boosts efficiency and gives your business a competitive advantage.

#### 24/7/365 MONITORING

Our team of expert engineers and support technicians proactively monitors your systems to prevent trouble and maximize uptime. In the unlikely event of an interruption, they're in place to immediately solve the problem.

## PREDICTABLE MONTHLY COST

We work within your IT budget, making sure you only pay for what you need. Simply select the IT services that will benefit you most, then pay a flat, monthly fee based on that choice.

## POST-DEPLOYMENT ASSISTANCE

Your IT projects don't end at deployment. We're on hand to answer questions and offer support after you launch. We'll also help you figure out your next steps, scale up or down depending on your needs and stay current with the best products and services for your business.

## REMOTE & ON-PREMISE HELP

M3 Technology Consultants resolves 99 percent of technical issues quickly and easily with a remote access tool. But, for the one percent where a technician is needed at your location, we have you covered. We'll get there fast and get you back to business.

## ENHANCED SECURITY

Outdated applications and unpatched servers leave you exposed to a variety of cyberthreats. M3 Technology Consultants automates the process of keeping your applications updated to prevent threats from impacting your organization.
