

PHONE SYSTEM MANAGEMENT

CONTROLLING YOUR TELEPHONY SOLUTIONS

Whether you're looking to upgrade your existing phone system or install brand new hardware, you need a managed solution designed to simplify the process and improve your calling experience. From VoIP to PBX, we'll manage the migrations, updates, installations and maintenance of your communication systems.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

WE'VE GOT YOUR PHONE SYSTEMS COVERED

By investing in a managed phone solution, you'll cut maintenance costs and gain a team of experts prepared to provide the solution that best resolves your unique business challenges. We'll analyze your current phone systems and determine which upgrades, hardware or solutions work best for your business, and will scale to fit your needs in the future. Plus, we provide 24/7 support – so you get the help you need quicker. From upgrading your legacy system to a VoIP or PBX solution, to maintaining and scaling your existing unified communication solutions, we'll proactively manage your phone systems.

24/7/365 MONITORING

Our team of expert engineers and support technicians proactively monitor your systems to prevent trouble and maximize uptime. In the unlikely event of an interruption, they're in place to immediately solve the problem.

REMOTE & ON-PREMISE HELP

M3 Technology Consultants resolves 99 percent of technical issues quickly and easily, with little to no downtime. But, for the one percent where a technician is needed at your location, we have you covered. We'll get there fast and get you back to business.

INCREASED PRODUCTIVITY

You don't have time to waste on hiccups in your IT projects. M3 Technology Consultants manages projects from concept to completion, using our expertise to predict and plan for bumps in the transition so your business can continue running smoothly.

SIMPLE MIGRATIONS

Physical software can make migrating and installing new applications difficult. Using the cloud, we streamline your deployments by migrating new or existing software to eliminate downtime during the update process.

CONTROLLED SUPPORT COSTS

End the cycle of panicked break-fix calls – and their hefty resulting bills. We ensure that you only pay for the time you need, as detailed by simple, straightforward contracts. No surprises – just high-level consulting and management services, on demand.

EXPERT GUIDANCE

Our technicians are invested in ensuring your IT systems and phone solutions deliver optimal performance. That's why we take the time to learn your goals, challenges and budget, then work to create an IT strategy together that meets your objectives.

WE DO MORE THAN PHONE SYSTEM MANAGEMENT. M3 TECHNOLOGY CONSULTANTS ALSO OFFERS:

- ✓ Technology Assessments
- ✓ IT Infrastructure Monitoring
- ✓ Data Backup & Recovery
- ✓ Cybersecurity Services
- ✓ Help Desk Support
- ✓ Remote PC & Mac Support
- ✓ IT Project Management
- ✓ Cloud Computing Solutions
