REPAIR & MAINTENANCE SERVICES

SAVING YOUR SYSTEMS FROM BUGS & BREAKDOWNS

Human and computer error can trigger major technology problems and drag you into costly downtime. But, there's no need to panic. Our experts are always on hand to fix the issue – remotely or on-premise – and get you back up and running as quickly as possible. We also attack potential complications before they appear with our proactive maintenance services.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

EXPERT HARDWARE & SOFTWARE TROUBLESHOOTING WITH ONE CALL

From glitches to viruses to entire system failures, technology will sometimes let you down. You need a reliable IT partner that responds within minutes – not hours – to find the root of the problem and resolve it. But, we don't just wait for something to go wrong – M3 Technology Consultants monitors your systems 24/7 for potential problems, and installs updates as soon as they become available, so we can resolve issues before they interrupt your workday. Whether we're troubleshooting software glitches or installing and calibrating brand-new phone systems, computers and networks, we ensure your technology is working at its full potential.

PROACTIVE MAINTENANCE

Because your infrastructure is routinely monitored, M3 Technology Consultants identifies issues before they disrupt your workflow. Our team minimizes the risk of system failure and ensures your systems are running at peak performance.

ENHANCED SECURITY

Outdated applications and unpatched servers leave you exposed to a variety of cyberthreats. M3 Technology Consultants automates the process of keeping your cloud-based applications updated to prevent threats from impacting your organization.

IMPROVED PERFORMANCE

Outdated servers can slow down your operations and cause painful wait times. By migrating and deploying your new servers, we give you the resources you need to help your team and business run at peak efficiency.

MINIMIZED DOWNTIME

You don't have time to sit around while your systems are down. In addition to proactively monitoring your network so we can stop threats before they start, we back up your data to the cloud so it's easily recoverable in any situation.

PREDICTABLE MONTHLY COST

We work within your IT budget, making sure you only pay for what you need. Simply select the IT services that will benefit you most, then pay a flat, monthly fee based on that choice.

REMOTE & ON-PREMISE HELP

M3 Technology Consultants resolves 99 percent of technical issues quickly and easily, with little to no downtime. But, for the one percent where a technician is needed at your location, we have you covered. We'll get there fast and get you back to business.

WE DO MORE THAN REPAIR & MAINTENANCE SERVICES. M3 TECHNOLOGY CONSULTANTS ALSO OFFERS:
