SERVER MIGRATION & DEPLOYMENT

GROWING & UPDATING YOUR TECHNOLOGY INFRASTRUCTURE

Expanding your business is a cause for celebration – but the hassle of migrating your data to new servers can quickly rain on your parade. If you're moving to another location, deploying new solutions or simply upgrading outdated hardware, you need a partner who can make server migration and deployment simple and painless.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

UPGRADE YOUR SERVERS WITHOUT IMPACTING YOUR PRODUCTIVITY

Servers are the backbone of your technology infrastructure, and complications can affect your entire organization. Whether you're upgrading old servers or deploying new servers to handle expansion, offload the migration process to M3 Technology Consultants. We handle every step of migration, minimizing costly downtime and eliminating data loss. Our technicians install and configure the necessary components and test your servers during and after deployment to ensure that everything is in good shape. Say goodbye to the fear of upgrading – with M3 Technology Consultants as your partner, migration and deployment goes right the first time.

LOWERED EXPENSES

Servers and networking equipment represent a significant expense for businesses of all sizes. M3 Technology Consultants works with you to ensure that you get maximum scalability and functionality from your servers at the most reasonable price.

IMPROVED PERFORMANCE

Outdated servers can slow down your operations and cause painful wait times. By migrating and deploying your new servers, we give you the resources you need to help your team and business run at peak efficiency.

MINIMIZED DOWNTIME

You don't have time to sit around while your systems are down. Our rapid deployment eliminates unnecessary downtime and ensures that your data, documents and applications are available to your team as quickly as possible.

PROACTIVE MAINTENANCE

Because your vital technology infrastructure is routinely monitored, M3 Technology Consultants can easily identify IT issues before they become disruptions to your daily workflow. Our team minimizes the risk of system failure and ensures your systems are running at peak performance.

PREDICTABLE MONTHLY COST

We work within your IT budget, making sure you only pay for what you need. Simply select the IT services that will benefit you most, then pay a flat, monthly fee based on that choice.

ON-DEMAND EXPERTISE

Have a bug, glitch or other minor IT problem that's slowing down your team? We're here to help – just give us a call or shoot us an email. We work with you to troubleshoot technical issues and overcome obstacles to productivity.

WE DO MORE THAN SERVER MIGRATION & DEPLOYMENT.
