TELECONFERENCE SOLUTIONS

STREAMING RELIABLE VIDEO MESSAGES

When communicating with teams, partners and customers across the country, limiting the experience to strictly voice raises your chances of missing out on the message. That's because 93 percent of communication is non-verbal. Teleconferencing solutions enhance your communication channels so you never miss a conversation.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

GET A FULLY FEATURED COMMUNICATION SYSTEM

As business becomes global, your communications have to adapt. Teleconferencing combines the efficiency of a phone call with the personal interaction of a face-to-face meeting. Businesses with multiple offices or remote employees can share ideas and engage with clients anywhere in the world. Our teleconferencing solutions are designed to reduce business travel, allow deeper connections and boost productivity. We continuously test, monitor and maintain your system for maximum uptime and optimal performance.

SINGLE POINT OF CONTACT

Digging through old emails and contacts to find answers to your questions? There's a simpler way – call us. We'll be your single point of contact, communicating with vendors on your behalf.

PREDICTABLE MONTHLY COST

We work within your IT budget, making sure you only pay for what you need. Simply select the IT services that benefit you most, then pay a flat, monthly fee.

PROACTIVE MAINTENANCE

Because your infrastructure is routinely monitored, M3 Technology Consultants can identify IT issues before they become disruptions. We minimize the risk of system failure and ensure your systems run at peak performance.

SEAMLESS SCALABILITY

When you're growing fast, your technology has to keep up. We'll scale your teleconferencing capabilities with your business – so you can quickly adjust to ever-changing demands without the extra costs.

SIMPLER TROUBLESHOOTING

We speak IT. When you run into an issue with a product or service, we'll work quickly and diligently to resolve the problem as quickly as possible, freeing up valuable time in your workday for more important tasks.

STANDARDIZED TRAINING

No more disagreements about the best approach or confusion over different platforms. We provide comprehensive, standardized training so your employees are on the same page and working together as a team.

WE DO MORE THAN TELECONFERENCE SOLUTIONS.
