

VENDOR MANAGEMENT

BECOMING YOUR SINGLE POINT OF CONTACT

Whether you work with two vendors or 20, managing vendor relationships takes time. But, the process doesn't have to be complicated. We help you choose qualified vendors, negotiate contracts on your behalf and consolidate contacts so you only have to make one call to get an answer. Stop juggling vendors – rely on our expert management.

ABOUT M3 TECHNOLOGY CONSULTANTS

We recognize that busy businesses do not have time to guess what IT support their businesses may or may not need. After years of experience, M3TC has developed one simple streamlined solution, our True Blue inclusive service package. All of the support your business needs, without the back and forth, nickel and diming. One package designed to provide proactive system support, so you can run your business and enjoy peace of mind.

CONSOLIDATE AND SIMPLIFY YOUR VENDOR RELATIONSHIPS

Who do you call when you have a problem? How long will you be on the phone? Are you getting the best price? Will this vendor deliver on their promises? With M3 Technology Consultants' vendor management services, you'll never need to ask those questions again. We handle every aspect of your vendor relationships – from selecting reliable vendor partners and negotiating the best prices to locating the correct contacts to answer each question. We know the best vendors in the business and ensure that you're not stuck with partners who overcharge and underdeliver. From beginning to end, we keep your vendor relationships simple and productive.

COMPETITIVE PRICING

Vendor costs shouldn't tank your budget. M3 Technology Consultants accepts bids and negotiates contracts and bills on your behalf, so you can rest assured that you're getting the best service at the best price. We leverage our expertise and professional relationships to save you money.

SINGLE POINT OF CONTACT

Do you have to dig through old emails and phone contacts to find the right person to answer your questions? There's a simpler way – call us. We'll become your single point of contact, communicating with all of your vendors on your behalf.

FULL VENDOR VETTING

How do you find vendors you can trust? M3 Technology Consultants finds vendors with good reputations that offer the ideal service for your business. We also check vendors against quality metrics to ensure that their performance matches your expectations.

GREATER EFFICIENCY

Nothing is more frustrating and wasteful than having to stop work on a project of strategic value to contact a vendor with questions. Let your team members keep doing what they do best while M3 Technology Consultants handles interactions with vendors.

SIMPLER TROUBLESHOOTING

We speak IT. When you run into an issue with a vendor's product or service, we'll work directly with the vendor to resolve the problem as quickly as possible, freeing up valuable time in your workday for more important tasks.

HIGH-LEVEL ASSESSMENTS

You can't improve your systems without knowing where your technology stands. We conduct comprehensive assessments of your computers, network, processes and more to understand your business and connect you with partners that fit your needs.
